INSPIRATION FOR THE MONTH

.....
The will of God is simply this: "On earth as it is in Heaven." Isn't it refreshing? When we pray, "Thy kingdom come, Thy will be done," we're praying for the King's dominion and will to be realized right here, right now. That is a life-transforming, paradigm-shattering way to "do" normal Christianity.

What is free to operate in Heaven – Joy, peace, wisdom, health, wholeness, and all the other good promises we read about in the Bible – Should be free to operate here on this planet, in your home, your church, your business, and your school. What is not free to operate there – sickness, disease, spiritual bondage, and sin – should not be free to operate here, period. We are out to destroy the works of the devil (1 John 3:8).

It's an awesome way to live! When we make this our primary understanding of God's will, the other areas that trouble us so much will seem to sort themselves out (Matt. 6:33).
