Chairman Writes...

WELCOME! to the 10th edition of the Cathedral Golden Circle Newsletter. We would like to share with you all the programmes and activities carried out by us during the last four months and in the months to come.

We welcome all who are 50 years of age and above to come join us for Faith, Fellowship and Fun.

Sharing fellowship with our Golden Circle companions, we went to the Diocesan Golden Circle AGM in Cheras, Kuala Lumpur. A great time for reflection and friendship renewal, we had a most interesting tour of Putrajaya and in the evening a delightful Golden Oldies Dinner and Dance where everyone joined in.

Happy Birthday Malaysia!!

"I do like to be beside the seaside". This old Music Hall song was completely epitomized by our day trip to the beach at Tanjung Sepat, Sepang with a coach load of kids from St. Mary's Agape Mission School on 3 July 2018. Many of the kids had never been to a beach before or plunged into the sea. Sand (and mud) castle building occupied some and all came together for a lovely seaside picnic which we brought with us.

Self-Financed Fellowship Trip To Hatyai

It's not just the Chin refugees who "like to be beside the seaside" but also Seniors from St. Mary's and Golden Circle members and friends from Good Shepherd Church Subang Jaya, Emmanuel Church Cheras, St. Thomas Church Banting, All Saints Church Cheras and Asarippu Kudaram Puchong. Our long weekend from 26 – 29 July was a great opportunity for fellowship in the Thai resorts of Hatyai and Songkla. A great time was had by all in our overnight coach with time for excellent Thai cuisine and bargain shopping during this self-financed foray across the border.

Kg Pengkalan Daun Orang Asli Sunday School Children visit to the Cathedral

Besides "Being by the seaside beside the sea" many young Malaysians like to spend time in our towns. No exception were the party of 50 children and parents from the Orang Asli Settlement at Kampong Pengkalan Daun Teluk Intan whom we were pleased and privileged to host for a visit to the Cathedral on Saturday 4 August 2018.

After an introduction to the building by our Verger Mr S Joseph, the children adjourned to the MPH. After prayers and a song in Bahasa sung by our guests, all then enjoyed an East-West luncheon provided by the Golden Circle as well as ice cream and a small gift pack.

Golden Circle Day Trip to Bukit Tinggi – East meets West & East in the hills

Our one day trip to Bukit Tinggi for 44 members was a fascinating eye opener. At a height of 3000 feet the picturesque resort of Colmar Tropicale gave us a real glimpse into the 16th Century Colmar Village in Alsace France. A great place for photographs and food complimented by the serene Japanese Village with its Tea House.
